Jonny Spivey
MDCC Alumni Association President
189 Three Way Road
Indianola, MS 38751
(662) 207-0878

Dear Alumni:

On behalf of the MDCC Alumni Association we would like to thank you for being an alumnus and supporting your school through your membership dues and donations. We would not exist without your support.

Having grown up in Moorhead, attending MDJC, and making so many lifetime friends from my time spent there, it is an honor to serve as your MDCC Alumni Association President. My wife and I are second generations who attended MDCC and two of our three children also attended. I have many memories of growing up in Moorhead and spending time riding my bike around the campus; waiting for the day when I would be attending MDCC. Remember the "Canteen", the football team running the mile on the day they showed up for fall practice, Saturday night football games, basketball games in the old gym, track meets, baseball games, the girl's dorm and cafeteria burning, classes in Tanner and the Horton Science building, and the "Plywood Palace". MDCC has always shown a special relationship between its teachers and students. The teachers would go out of their way to assist students in getting a good education and preparing them for the next step in their lives. I enjoy looking at the Digital Archives on the MDCC website and seeing people I know who attended MDCC and went on to enjoy a very successful career and life.

I hope as you read this letter it brings back fond memories of your time spent at MDCC and how this college prepared you for life. Our hope is that if you are a member of the Alumni Association you will encourage your friends and family who are not members to join the Alumni Association. Try not to just think of where you received your final degree, but also remember you spent two years at MDCC preparing for that college. We encourage you to get active in your county alumni association. If there isn't an alumni association in your area, one can be established. We have or have had Chapters in Texas, the Gulf Coast, and in the Jackson , MS area.

There are a lot of activities we participate in such as: the Memory Brick Program, Trojan Tailgating, sponsorship of a spring Car and Tractor Show, chapter alumni banquets, golf tournaments, and a great Homecoming Weekend in the fall. Not to mention providing scholarships to deserving students.

Thanks for taking time to read this letter and remember to continue to support your MDCC Alumni Association, encourage high school students to visit MDCC and see what it has to offer. Tell other Alumni you know to join the Alumni Association, and come out and be a part of MDCC.

"GO HEAD MO HEAD"!!!!

Sincerely,
Jonny Spivey
